Usually it looks like fine, green tobacco. It is smoked in pipes or cigarette form. Hashish, also a preparation from Cannabis, is taken orally in many forms, and infrequently it is made into candy, sniffed in powder form, mixed with honey for drinking or with butter to spread on bread. The primary effect is a feeling of great perceptiveness and pleasure and an exaggerated sense of ability, resulting from even small doses. Erratic behavior, loss of memory, distortion of time and spatial perceptions, and hilarity without apparent cause occur. There is a marked unpredictability of effect.

# COVINGTON ELECTRIC MEMBERS: HERE'S A CHANCE TO HELP YOUR COOPERATIVE, AND BE ELIGIBLE FOR UP TO \$250.00 IN CASH!!

All Covington Electric members will shortly receive a ballot on which to vote to authorize the Cooperative to borrow necessary loan funds from the National Rural Utilities Cooperative Finance Corporation - - or CFC.

CFC was organized as a non-profit bank by over 800 electric co-ops across the nation, because of a drastic shortage of loan funds from the Rural Electrification Administration

Covington Electric members have already approved the Cooperative's joining CFC. But to meet legal requirements, it is necessary for members to vote "YES" to permit borrowing

## CASH PRIZES!
